

Dear Current and Former Members and Friends of Asheville First Christian Church (Disciples of Christ),

Three and a half years ago, after much study and prayer, we decided to sell our historic church building on Oak Street. In 2007 we bought 2.8 acres on Enka Lake Road across from Enka High School and next to the Hominy Valley Grade School. We are very excited about the new ministry that we are doing in the area. We built an 8,900 sq. ft. building and moves in May of 2009. We have a new minister, Dr. Tom Everton, who has many years of experience in ministry and are enjoying his leadership.

We kept our name and brought some of our furniture and restored some stained glass from the 1909 church. The new building has a beautiful Fellowship Hall with lots of glass on two of the walls. The hall opens onto a patio, which opens onto a space for outdoor activities. We are using this space to remember all the people who have passed through First Christian Church. We are sandblasting names and etching them in black on the cobblestones we have selected for the patio. We invite you to remember your baptism, your parents, family members, yourself or someone who has touched your life at Asheville First Christian Church by purchasing a cobblestone in their honor or memory. Please help us fill up our patio!

Send your order to First Christian Church, 470 Enka Lake Road, Candler, NC 28715. We will continue to lay stones throughout the year as we receive more requests. There also will be named pews if you would like to remember your family in this way.
